REEL: <https://mishabeare.com/>

I have an undying passion for Post-Production and an obsession with the technology, techniques, and dynamics behind legacy and modern Motion Picture Image Grading.

I am solutions driven and thrive off of complexity and challenge. I live for bringing ideas into existence, development of better process and bringing a team to a collective success. The tougher the road the better the journey! Nothing is impossible.

WORK EXPERIENCE

COLOURIST

Freelance

Jan 2017 - Present
Cape Town

Well experienced and highly proficient in Image Grading within Davinci Resolve Studio, coming from Apple Color. I strive to bring my clients vision to life through the craft of new look development, emulation, and the art of guiding the eye, mustering emotion and creative story telling through the colours we see and perceive.
